8. SUMMARY OF INFRACTION(S)

Specialist Fladung will be charged under Section 891, Article 91(3) Insubordinate conduct towards warrant officer or noncommissioned officer which states:

"(3) treats with contempt or is disrespectful in language or deportment toward a warrant officer, noncommissioned officer, or higher ranking or superior (by position) enlisted member while that member is in the execution of his office; shall be punished as a court-martial may direct "

I noticed that SPC.Fladung had an unauthorized tag in teamspeak, i moved to investigate and to ask him to remove it. In the channel was SPC.Cappedu.R and SPC.Fladung.
On entering the channel I was informed that SPC.Fladung was AFK and his return was unknown, I made the decision and asked SPC.Cappedu to inform him to remove the tag on his return, this he agreed to do. (After I was informed Fladung was a shogun, to which I replied I was an MP and I want the tag removed.)

I then moved to speak with CW2.Mort.C, I was speaking with Mr.Mort when Fladung entered the channel, Mr Fladung then instructed/ordered me to enforce this rule on officers in the 7thcav, I was taken back by this, and told Mr Fladung that I was more than capable of doing my job and that I was dealing with him at this time, he then told me that he will now start taking screen shots in teamspeak of other members (he implied officers also) as I was continuing to talk to him when he quit the channel.
