8. SUMMARY OF INFRACTION(S)

Corporal Lonfox, on 28 May 2012, I came to you to ask some questions about a potential enlistee who listed that you two were friends. You advised to me that you two were friends in real life and when I asked you how old he was you told me that he was 17 years old as was listed in his application. At this point I advised you that I was a CID investigator and lying to me constituted a violation of the 7th Cavalry Uniformed Code of Military Justice. So I asked you again how old he was and you replied that he was really 16 years old. So I responded to this by letting you know that I had information that proves otherwise and directed an answer of how old he really was, it was at this point that you gave the correct answer that he was 15 years old.
I would like to remind you of what Article 84 of our UCMJ states - Unlawful Enlistment, Appointment, or Separation - Any person subject to this chapter who effects an enlistment or appointment in or a separation from the 7th Cavalry Regiment of any person who is known to him to be ineligible for that enlistment, appointment, or separation because it is prohibited by law, regulation, or order shall be punished as a court-martial may direct. Also Article 98 - Noncompliance with (7th Cavalry Regiment UCMJ) procedural rules - Any person subject to this chapter who— (1) is responsible for unnecessary delay in the disposition of any case of a person accused of an offense under this chapter; or (2) knowingly and intentionally fails to enforce or comply with any provision of this chapter regulating the proceedings before, during, or after trial of an accused; shall be punished as a court-martial may direct.

Now that you have both of these articles provided for you I would like to remind you that as a member of the 7th Cavalry you are held to a higher standard than other groups out there and as a non-commissioned officer you are held to an even higher standard. There should never be a time when we have to call your integrity into question ever again. I know that you falsified your original enlistment application and have decided to look past that fact since your service with us has been exemplary up until this point. You should remember that you are charged with a higher level of responsibility as a NCO and thusly you should set the example for all others to follow, when you knowingly try to aide someone who is underage to join the 7th Cavalry you put us into a position where we could face real world legal problems should this minor come in contact with a situation where there is anything that can be construed
