8. SUMMARY OF INFRACTION(S)

PopShot missed his section practice on Aug. 26th. but stayed in the Teamspeak channel and shoutbox to DJ the new radio station. He has also missed his 3rd Pride of Bravo matches with his section and still has not completed rollcall but has been on the forums for many hours since its posting on Wednesday morning. His Platoon SGT. SSG Ratfink and myself have verbally counseled him several times about missing practice and his impression of his LOA status, along with his responsibilities to his section. He has been told via IM as well as verbally that he is back from LOA (because there was a post as per LTC Chance to that effect) and that he needed to get this sorted out but has again failed to follow orders, but spends many hours on his radio station.

This is a violation to comply with a lawful order in the execution of my duties by not notifying me by email or Teamspeak and in my option is a violation of Section 891 Article 91 by not being compliant with my request. It demonstrates his lack of respect for his SGT. and the 7th Cav by his continued attempts to circumvent his responsibilities to his squad or out right ignore the COC .

It is my contention that he has been continuing to use his potential LOA status to continue to shirk his practice, Pride of Bravo matches and his rollcall responsibilities. It is my opinion that this has risen to a level that warrants the charge of Desertion under Section 885 Article 85 in the UCMJ.
Since he has missed his practice by choose not to go would be another violation of Section 887 Article 87 Missing Movement within the UCMJ.

These infractions need to be dealt with because we will be saying that its alright to miss your practices, not show up for a POB matches, not to bother to answer your SGT.'s requests and ignore both your Platoon SGT or Section Leader. He has abused the LOA process as well as the out right ignored the rules and regulations within the 7th Cavalry and it is time that he answers these many charges that have been filed against him.

9. TAKEN/RECOMMENDED ACTION AGAINST TROOPER

These actionable charges under Articles 85,87 & 91 should be included in several of the prior charges brought against PFC.Popshot for his Article 15 hearing.
