8. SUMMARY OF INFRACTION(S)

"Misconduct on the ArmA 2 public server"

Quote from PFC.Roadglide:
SPC.FCMatt has shot out tail rotors on friendly helo's to see if they can fly without it . Braging about what he is doing in vent. He 1 time tried to hit me while I was on road with his helo's blades. I know he has done the same to Warrant Spectre. With him acting this way for last month or 2 has got others acting the clown in server . I joined the 7th for teamwork and realism not the juvinile crap that has been going on. Another member comes in and anounces both in vent and then in global chat how he is going "RAMBO" and then procedes to die several times then he has come to the area where we have a squad working together and draws Enemy fire .

Quote from WOC.SpectreX:
this tropper has shot at my tail rotars a while ago,I didnt call him out on it directly ,but said who ever is shooting red tracers at my helo will stop now.
Last week, I was taking fire,legs got shot out 10 more rounds hit arround me,and was TK'd by this Trooper,he didnt apologize for it,and typed LOL in game coms,I let it go,didnt like it but I didnt say anything. after returning to base with Taw my right hand man,we went down to the AO in UH-1Y and in my gunner seat I was shot out again,by the same Tropper,this time all he did was laugh.
So I told him try that a third time and see what happens to you,he had a comment and then became quiet.
In my eyes he doesnt not understand Cav rules for fellow members and game play.just another bad pubber in my eyes. thank you Sir, for actions taken on this matter.

9. TAKEN/RECOMMENDED ACTION AGAINST TROOPER

Article 15 has been stayed and NCS for Insubordination and General Misconduct issued.
No favorable actions for 60 days AS WELL AS stipulation that if an incident like this occurs again, he would be discharged.

NCS was given with 2LT.Raven and SSG.Snake observing. I reviewed the charges, discussed the implications and consequences ordered and made sure we were clear that this was to be a one time occurrence. SPC.FCMatt was respectful, confirmed that he understood everything that has transpired and assured us that he will not again be a problem for the 7th Cavalry.

INSTRUCTIONS FOR SECTIONS III: Sections III is to be completed by the next command level above the trooper's supervisor. The Unit Commander will ensure that the trooper has been spoken to by his supervisor (not via PM or email, but verbally) and his aware of why he was counseled and of the consequences of further violations. The Unit Commander will also approve or recommend further action against the trooper. The Unit Commander will submit the completed form to the Admin. Dept. email for further processing.
